INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Cherokee Indians. My people were always recognized as white

William L. Laceywell,
Rossville, Ga.

Sir:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, did you, your parents, or grandparents ever reside with the Cherokee tribe? If so, state when and where. Were you, your parents and grandparents recognized as white people, Indians or negroes in the communities in which you and they have resided?

Why was the parent through whom you claim not enrolled in 1851, and where was he or she residing in 1844-45, if living at that time? Where were your grandparents on the side through which you claim residing in 1844-45?

If your parents or grandparents were slaves, state whether slaves of Indians or white people.

Very respectfully,

Special Commissioner

C/S/AM

#33516

Miscel.

William L. Lacowell being first duly sworn, deposes and says:

That I am 62 years of age and live in Rossville, Ga. I claim my Indian descent thro my father and his father. My grandfather's given name was William. He was born somewhere in N. C., I think it was Haywood or Rutherford Co. Don't know when he was born. He died in 1869 and was 88 years of age then. He lived with my father most of his time in Monroe and Mc Minn Cos., Tenn. He must have been living in Monroe Co., Tenn. in 1835 and in 1851 he was living in either Monroe or Mc Minn Co. Don't know whether ~~xx~~ I or my father or grandfather were ever enrolled. I am white and Indian. Don't know what per cent of Indian. Claim Cherokee Indian blood. I have no witnesses here that can do me any good. Don't know that my grandfather lived with and took part in the Indian councils. He was recognized as a white person. It was always considered a slur for people to have Indian blood in them and they were looked down upon. That is the reason I don't know any more than this about my Indian blood.

Madam:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state whether you, your parents, or grandparents ever resided with the Cherokee tribe? If so, state when and where. Were you, your parents and grandparents recognized as white people, Indians or negroes in the communities in which you and they have resided?

Why was the parent through whom you claim not enrolled in 1851, and where was he or she residing in 1854-55, if living at that time? Where were your grandparents on the side through which you claim residing in 1854-55?

If you were a slave, please state whether a slave of Indians or white people.

Very respectfully,

CHB/ALL

RECEIVED
JUN 12 1908

I

Hon. Guion Miller ,

Special Commissioner of Court of Claims.

My Dear Sir:- In answer to your inquiries regarding my claim., No. 33517, I have to say: A my parents were born in North Carolina, as I understand, they went from there to Alabama, and from there they went to Bradley County, Tenn. several years before the Indians were moved from ~~the Cherokee lands~~ the Cherokee lands in Tennessee and Georgia. My understanding is that there were Indians living in the region where my parents lived in North Carolina, but whether my parents were there regarded as a party of the Indian Nation I am not informed. Bradley County Tennessee was a part of the Ocoee reservation from which the most of the Indians were removed by the treaty of 1836 as I understand it. My father was scotch -Irish and most of the white men having wives with part indian blood remained in the country. I think it was about 1832 that my parents went to Bradley County and they lived there with Indians all around them until the Indians were removed as I am informed.

2. My parents and grand parents were recognized as white people because my Father was pure white blood, and my mother was understood to be part white and part indian blood. The same is true of my grand parents.
3. I am unable to say whether my parents were enrolled in 1861. They were living, then, in Bradley County Tennessee, and if they were not enrolled, I think it was for want of knowledge of any reason why they should be enrolled.
4. My Grand parents lived in North Carolina in 1834-5 and my parents lived in Bradley County, Tennessee, in 1834-5.

Respectfully submitted,
June 8, 1908 Mary E. L. Miller

Hon. Guion Miller, Special Commissioner of the Court of
Claims relative to claims of Eastern Cherokee Indians.

Answering your inquiries relative to my Claim No 33516.

I have to say:-

1st. My parents and grand parents always lived near to the
Cherokee Indians. My Grand Father and Father were under-
stood to have Indian blood in them. My Mother was scotch ~~Irish~~
Irish as I understand. Whether my Grand Father was recog-
nized as a part of the Cherokee Nation in its tribal rela-
tion I am unable to state, though I am informed, and it is
so understood in the family, and by the people who knew
them that he was ~~Cherokee~~ Cherokee Indian.

2. I am unable to say if my parents were enrolled in 1851.
They were living in Monroe County Tennessee in 1851 This
was in the Hiawassa District which had been a part of the
Cherokee Indian Country as I understand the matter.

3. My parents were residing in Monroe County Tennessee in
1834-5.

4. I can not answer why my parents or rather, why my father
was not enrolled in 1851. He was living in Monroe County
Tennessee in 1834-5 and was living there in 1851.

If my father was not enrolled I presume it was because he
did not know any thing of the enrollment. My Father's Father
was living in Monroe County Tennessee in 1834-5.

Respectfully submitted.

William L. Lacwell.

Nancy Johnson being first duly sworn in behalf of Mary E. Lacowell, deposes and says:

That I am 73 years of age and I live in Cleveland, Tenn. I know Mary E. Lacowell and know her parents. We were neighbors and I have heard the old folks talk about their Indian blood. I first became acquainted with them about fifty years ago. Don't know when Mary Lacowell's mother died. She would be about 80 years of age if she was living now. Don't know where she was born and raised, nor where any of them were born and raised. They claimed to be Indians. All I know about their having Indian blood was one time about 50 years ago when I was at the house of an aunt of Mrs. Lacowell on the mother's side and her little 12 year old daughter came in crying and she was asked what was the matter. She said they told her she was an Indian, threw it up to her. The mother told her not to fret over it because you are Indian, your grandmother was a full blooded Indian. It was looked upon as a disgrace and that is why they were never told of their Indian. Never know of any of them being on any roll. Don't know applicant's grandmother's full name. Her mother went by the name of Hays. I don't know her name before marriage. Never know of her having any Indian name. They were white as Indian, I think. Always recognized as white people. That's all I can tell you.

Mary E. Lacowell being first duly sworn, deposes and says:

That I am 60 years of age and live at Rossville, Ga. I claim my Indian descent thro my grandmother on my mother's side. Her name was Holt, but I don't know her first name. She was raised and born in Va. I don't know what part. I don't know when she was born, have no idea. She died before my time. I was never on any Indian roll nor were any of my people that I know of. I don't know what part Indian I am. I am considered white. I don't know anything but what I was told.

That we are 54 and about 60 years of age, respectively and live in Hamilton Co., Tenn. We claim our Indian descent thro our mother and her mother. All our other ancestors were white people. Our grandmother's name was Lottie Watson. Don't know her maiden name nor when she was married. She died just before the war. We don't know whether our mother or any of our ancestors were ever on any roll. We, our mother and grandmother were recognized as white people in the community. Mother was born and raised in Polk Co., Tenn. Our mother would be a hundred years old if living now. The Indians lived in Polk Co. at the time she did but we do not know whether she was recognized as a member of the tribe or not. We have a couple witnesses present but they cannot add anything to what we have testified other than to state that ~~their~~ our mother was known to have Indian blood. Our husbands are white men.

My name is Edgthey J. Ellison. I live at Birtay, Ark. I was born in Hamilton Co., Tenn. in 1858. I claim my Indian blood through my father. My father's name was Lorenzo Fox Poole. He was born in S. C. I don't know when. He died in 1905 and was 78 years old. He moved to Tenn., I think, from S. C. He died in Ray Co., Tenn. ~~xxxxxxx~~ I don't know when he moved to Ray Co. It was after I was born. ~~xxxxxxx~~ I don't know whether my father lived with the Indians or white people. I think he lived with them in Ga. and S. C. I don't know about what time that was. My father got his Indian blood through his father, John Poole, and through my grandfather's mother whose maiden name was Stovall. I never heard whether any of my ancestors were enrolled or not. I never made appl. for citizenship in U. S. None of my ancestors rec'd any money or land from the Govt. on account of their Indian blood as I know of. John Ellison, a nephew of mine filed an application. He lives at Birta, Ark.

To whom it may concern this will certify
that one lived in Walter County Georgia and
was well acquainted with John Poole who was
commonly known and considered as a half
breed Cherokee Indian I knew him well
as far back as A.D. 1845 or longer he was
known as a quiet industrious man I will say
that I was well acquainted with the Cherokee
Indians for at least 50 or 60 years and can
say that said Poole had the physical appearance

I think that Mrs. Elison is probably mistaken as to his

Madam:

Replying to your letter of December 1, 1909, you are advised that it is impossible for me, at this time, to state when the Eastern Cherokee fund will be distributed.

However, the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on, and the roll finally approved by the Court no money can be paid.

Very respectfully,

Special Commissioner.

Sarah I. Stewart being first duly sworn in regard to Claim of Pearl Stewart, a minor whose application was made by her step-mother, Jennie Stewart, deposes and says:

That I am 73 years of age and live in Chattanooga. I knew the parents of the minor and she claims her Indian descent through her mother and her grandfather. Her grandparents on her mother's side were both part Cherokee. I first got acquainted with the mother and grandparents about forty five years ago in Hamilton Co. I ~~just~~ just know that her mother and grandparents were born in Tenn. but I don't know what part. The neighbors all talked as though there was Indian there but they treated them as neighbors. Her grandmother's name was Sarah Jones, her maiden name was ~~Micahs~~ Nickerson. I was in error as to what I stated before about the minor's grandfather containing any Indian blood, as it was only through her ~~a~~ grandmother that she derives her Indian descent and her great grandfather, the father of her grandmother on her mother's side. Her great grandfather's name was William Nickerson. I never knew of any of her ancestors being on any Indian roll or living with ~~x~~ any Indians. They were white and Indian. Her mother's brothers and sisters names were Martha Jane who married a ~~man~~, another sister named Alice who married a Stewart, and William Jones. William Jones lives in Arkansas and has filed application. He lives in Berta, Ark.

Dear Sir, your favor
of May 4th, in regard to
applications #33551 & #33552
Cherokee allotment to hand
and will say in regard
to same, that the grand
parents of my children
never resided with the
Cherokee tribe, because the
tribe was removed from
this country before the
grand mother of my boys
was born, and the

majority of the Tamm
 family remained in
 Georgia, supposedly
 on account of their
 wealth and land hold-
 ing. Missie Tamm the grand
 mother was part Cherokee
 and part white, with
 no negro blood. Some
 of the Tamm Indians
 owned negro slaves,
 who now go by the
 name of Tamm, as the
 former slaves of the
 whites retain their old
 master's names. The
 Tamm family so far

3

as I can learn never
had any negro blood
in their veins, and
those of $\frac{1}{4}$ or $\frac{1}{8}$ were
considered white, though
known to have Cherokee
blood. The reason the
great grand parents
of Carroll C. and Oliver
C. Raper were not en-
rolled in 1857 was that
the Great Spirit had taken
them to the Happy Hunting
Ground before that time,
and Gessie Vann, the
grand mother of my boys
had gone to live with

a family named Jones
and in 1834 + 1835
she was an infant,
and I think was in
Murray county Ga.

The mother of my boys
was born in Macon
county Tenn in 1861.

Their grand mother
through whom they get
the Cherokee blood was
born in Murray county
Ga. about 1830, but was
taken to Tenn soon
after. No. Thanks, no blood
of a slave in their veins

Reply has been received that you have rejected said claims, and require more evidence. As all the ancestors are long since dead, and so far as I know, all other parties except myself, who knew the facts in the case have passed away. I knew the grandmother of my children, and I knew her to have a large percent of Indian blood, so much so that she looked like a half Indian. Please send me blanks and perhaps I can find some one who knows the facts. At this late date evidence is hard to get.

An Old Miner Thinks He Has It in Georgia

From Chattanooga Star.

Capt. W. H. Killeby, of Chatsworth, Ga., a frequent visitor to Chattanooga, is a descendant of John Van, the noted Cherokee chieftain. Capt. Killeby now resides in the famous mansion near Spring Place, Ga., built more than a hundred years ago by workmen imported from England and brick carted from Savannah.

John Van paid for it all with gold dust carried in turkey quills, a fact which leads Capt. Killeby to believe that there is gold worth while in the North Georgia hills.

In conversation with a Star reporter at the Read House, Cap. Killeby said:

"In the first place, I have mined in Colorado, Montana, Idaho, Alaska, Utah, California, British Columbia, Arizona, Mexico and South America.

"I know nothing about books, but I can run a mine, from a wheelbarrow to the largest piece of machinery ever placed in a United States mine. I have followed the burro from Denver to Tucson, Ariz., through Death Valley into Mexico; I have lived on tortoise and beans, and thought them good; I have seen the time I could draw my check for a half million and I have seen the time when I could not buy a postage stamp; I have been in Wall Street and thought myself 'it' but they sent me back to hunt for another mine. I am now in Georgia and I think I have found it.

"This country is a puzzle to me, if the man who wrote up the country from a geological standpoint knows his business. I find everything, rock, chert, lime, slate and every other formation found in a gold and silver bearing country. When I came to this country, I came simply in the interest of an old Indian tradition. I am a descendant of Jim Van a Cherokee Indian. About forty years ago I heard the old Indians tell of their happy hunting grounds in Georgia, and where they used to take out what we now know as gold, better known as gold dust, trading it off to the white man in turkey quills as money.

"I did not think much of this at first, but after traveling through various gold mines in the United States and foreign countries, I drifted back to the place of my birth and heard the old, old story of a wonderful gold country.

"I bought a ticket to Chattanooga, Tenn., and started South on a search for what I believed a fairy dream. When I reached Dalton I found the changes in formation which exist in some of the largest gold mines in this country. Agreeably surprised, I did not stop until I reached the top of Fort Mountain, an old fort, supposed to have been built by the Spaniards. This is about five miles from Spring Place. It does not seem reasonable that they would go there to protect their country. This fort was built by the Cherokee Indians to protect themselves.

"We find today an eight-room house, which was built by James Van. All this material was brought from England, as were the carpenters themselves. The bricks used were carted 400 miles. It must have cost something. Where did the Indians get the money? It would have taken many coon skins to have paid for this.

"I believe I now own the very place from which gold was taken by the Indians. I have mined in Arizona, paying a dollar a barrel for water and in Mexico I could not get it at any price. Now I have found a place where water, the finest in the world; climate and all conveniences for working a mine are at my own disposal.

"Last, but not least, the finest people in the world live here. There are no rich people; there are no poor people. They do not lay awake at night trying to pick flaws in their neighbors. They are willing to live and let live.

FATE OF MILLIONAI

Met Death Fleeing From Plague-Stricken Venezuela.

WAS ON HIS WAY TO EUROPE

Sad Fate Which Overtook Leader of a Party of Wealthy Refugees—Alleged Fatal Mistake of Prescribing a Tonic Compound.

New York, May 20.—Fleeing from the plague-stricken Venezuela, Edouard de Eraso, a coffee planter and reputed multimillionaire, came to death in a fashionable New York hotel through taking what he believed to be a harmless medicine. His death, who also took some of the medicine, is in a serious condition at the apartments in the hotel and the remainder of the party of wealthy refugees is without a directing head.

Whether they will continue their journey to Europe, where they planned to remain until the dangerous period in Venezuela has passed, is to be determined. It is alleged a drug clerk who prepared the medicine for Mr. De Eraso made an error in compounding the drugs.

Mr. De Eraso and his party arrived in New York a week ago. Returning from a ride Mr. De Eraso felt ill and sent out to have a prescription for a tonic compounded at a neighborhood drug store. Immediately upon return of the messenger Mr. De Eraso took a portion and Mrs. De Eraso about half quantity. Both were violently ill. Mr. De Eraso lived a few few minutes and for a time the condition of Mrs. De Eraso was serious.

An investigation by the coroner's office showed that the prescription called for aspartate. At the drug store where it was compounded bottles containing aspartate and opium are kept side by side. It is believed that the clerk got the wrong bottle.

SHOT HIMSELF IN HEAD.

However, It Is Thought Shooting Was Accidental.

Albany, Ga., May 20.—News received from Albany of a deplorable tragedy which occurred at Oakfield.

Mack Lippitt, a young man known in this section, was preparing to go to church with another member of the household. A revolver in the dresser in his room and he picked it up. Placing the muzzle of the weapon against the side of his head he said: "Look here." At the instant there was a loud report and Lippitt fell to the floor. He was dead in a short time. It is not determined that the firing of the shot was accidental.

It is presumed that the young man, without being aware of his danger, pressed the trigger of the revolver harder than he realized, causing the discharge.

Testimony in case of Carroll C. Rapier #33551

Appl. 33551

John B. Rapier being first duly sworn, deposes and says.
My name is John B. Rapier. I live at Bridgeport, Ala.
I am 66 years old. I am the father of Carrol C. and Oliver C.
Rapier who have filed applications. They claim through their
mother, Margaret C. Jones. She claims through her mother. Her
name before she was married was Tessie Vann. She married a man
by the name of Jeff Jones or Brauner. My wife is still living.
He are divorced. She is about 48 years old. She was born in
Monroe County, Tenn. Her mother was born in Murray Co. Ga.
My wife and her mother were recognized as half breeds. ~~the~~
~~Vanns sold out their reservation~~
My wif'es mother said that they lived with the Indians until
she was abour grown and married. She was adopted by the
Jones family. Her parents had started a reservation in N. C.
Their names were Vanns. I don't know their given names. My
wif'es father and mother owned land down in Ga. ~~Indians~~
~~there~~. I don't think he was a voting man. He was a full
blood, and they could not vote. I learned he was a full blood
from people up there where he lived. My wife never lived with
the Indian tribe. My wife and her mother never got any money
from the Government on account of their Indian blood. They
were never enrolled. I made a mistake my wif'es mother did
not live with the tribe. My wife's grandparents lived with
the tribe. I don't know anything else about my wife's grand-
parents except that their name was Vann, and that they were
wealthy and owned land in Ga. Old people told me that they
were full blood Cherokee Indians. I never heard of my wife's
parents taking part in any tribal proceedings. ~~XXXXXX~~
My wife's mother was about 6 or 7 years ~~old~~ old when she
was adopted by the white people. She never lived with the
tribe after that but used to go among them sometimes. Then
e and my wife was living in Knoxville, the Chief of the tribe
came and stayed with us several days on four or five occasions,
but I don't know what his name was. I don't remember his name.

That I am 73 years of age and live on the edge of Bradley Co., Tenn. I claim my Indian descent on my mother's side and on my grandmother's side. My mother's name was Margaret A. Carter but my father called her Peggy Carter. I can't think of my grandmother's first name but she was a Carter. Reed may have been her name; I don't know. My mother was born and raised in old Haywood Co., N. C. I was born on Coker Creek and was raised in Ducktown, Tenn. I never lived with the Indians. My mother lived amongst the Indians in Haywood Co., N. C. ~~and~~ I was probably about five or six years old when my folks left Haywood Co., N.C. and went to Ducktown, Tenn. They ~~lived amongst the~~ Indians never lived among the Indians after that. I nor my mother was never on any roll. My mother has been dead for about 35 years. I am recognized as a part Indian in the community in which I live; they don't say that I am a right white person. ~~My~~ My brother Jess is among the Indians now in Little Rock, Ark. He said he owned a good piece of land there. I can't tell how he got it. He wrote that he drew money out there. I reckon he got it for being a Cherokee. Lots of people would ask us why we never got any money, that if there was Indian in us we ought to have some money. We never got any because we never undertook to be enrolled. My mother's brothers were Tom and Nelson. Her sisters, Ann who married Scurjohn, part Indian. Another sister, Viney who never married. She died long before the war. Another sister was Doctor, and another Polly. Neither of these two were married. Can't tell whether any of them were on any roll. None of them are living now that I know of. My uncles and aunts originally came from Haywood Co., N.C., lived and died there - that is, most of them died there.

Ga. 1871: I claim my Indian blood through both my father
and mother: my father was born in Lumpkin Co., Ga.: I do
not know when: my mother was born in Whitfield Co., Ga. 1851:
my mother and father through whom I claim were held as slaves:
my father got his Indian blood through his father: my father's
father was not a slave, but my father's mother was a slave:
my mother got her Indian blood from her mother: my mother's
mother was held in bondage: all of the ancestors through whom
I claim who were slaves were slaves of white people: my
father's father was a full blooded Cherokee before the war
my grandfather on my father's side went west to the Cherokee Indians
and we never heard of him afterwards: I am regarded as a colored
woman man and my mother was regarded as a colored woman with
Indian blood.

That I am 59 years of age. I claim my Indian descent through my mother. My father is a full blooded white man and so is ~~my~~ my husband. My mother claimed through her father. Think it was James Dougherty. Am not certain about the first name, however. My mother was born in 1813 and died in 1904. My mother was born in Georgia. I suppose that my grandfather was born and raised in Ga. too. My mother left Georgia and went to Oklahoma and stayed there a while. This was long before I was born. My mother came with the Indians when they came west. She was then married to her first husband, Ledbetter. He was a white man. She was in Oklahoma close to the Washington Co., Ark. line. Then she moved to Texas in 1845. She never lived with the Indians after she came to Texas. I suppose that she had lived with the Indians as a member of the tribe there in Oklahoma. My grandfather died in Georgia before they ever came west. My mother had brothers and sisters as follows: Charles Dougherty, Littleton (died when small) - a sister named Susan, I think, who married a Palmer. Another sister named Elizabeth (don't know who she married). A brother named Benjamin Dougherty. He died in Denton Co., Tex. about 15 years ago. She had another sister named Mary whom they called Polly, and another named Francis and she married a man named Morris. My mother was on the Old Settler roll. She was ~~also~~ on the roll of 1851 - that is the Old Settler roll that she was on. Don't know whether she was on the roll of 1835. If she was it would have been under the name of Ledbetter. She was married to my father in 1845. She was on the 1851 roll under the name of Horn. I did not make application to the Dawes Commission. James T. Horn was my half-brother on my father's side. He got his Indian blood from his mother. Jeremiah is a brother to James T., and William T. Horn is another brother. There is another named John, a full brother to James T. Alethe Ledbetter was a half sister on my mother's side. Sarah was another half sister on my mother's side and a full sister to Alethe. Caroline is myself and Ruth is my own sister. Margaret is the wife of Wm. T. Cynthia and Martin Emily are their children. My mother received money in 1851 but don't know how much. She got money for all of us.

My brother, ~~xxxxxxx~~ C. W. Horn, has a son T. L. Horn who has filed application 33584.

Celia Hanly being first duly sworn deposes and says:

I am 44 years of age. I claim Indian descent through both parents. My father was about 1/8 Cherokee and my mother was about the same. My father derived his Indian blood from his mother, Sallie Brown, she married Jacob Cagle. Jacob was a white man. My mother derived her Indian blood from her father, Jacob C. Smith. My father is still living, at Leadhill, Ark. My husband is a white man. My father is about 65 years of age. My mother is also living with my father in Arkansas. She is about 65 years of age. Both of my parents were born and raised in Warren County, Tenn. They moved West in 1877. I think both of my parents parents were also born and raised in Warren County. My grandmother Cagle died after the war in the East. Grandfather Smith came West in about 1886 and died in Arkansas about 11 years ago. Neither of my parents or grandparents ever lived with the Indians as a member of the tribe but our Great Grandparents may have done so, I don't know. Neither of my parents or grandparents were ever on any roll. My parents and grandparents applied for citizenship in the Cherokee Nation in 1886 but they never got a trial nor were they admitted. None of us applied to the Dawes Commission for enrollment. My parents and us are recognized as part Indians. Andrew Cagle derives his Indian blood eventually from the same source as we do. His father and mine were brothers and our mothers were double first cousins. Andrew's wife is a white woman. W. I. Cagle's wife is a white woman. My husband's name is John L. Manly. He made application for me when I was sick. Henry and Robert Manly, numbers 38596 and 36146 are my sons. Craton Manly, number 36181 is my sister's child. Craton's father is a white man. Tennessee Perkins and Mary Bond married white men, as did Nora Sisco. My daughter, Annie Parris married a Cherokee, named Charley Parris. He is almost a full blood. Annie has one child about 4 years old by him. He and Annie are not living together now. They were legally married and are not divorced as yet. He has made Application. (See number 24690.) His post office is Rose, Okla. His Dawes Commission number 15366. Neither my parents nor their parents ever received any land or money from the Government by reason of their Indian blood.

Residence: Porum, Okla.

Reasons:

Claimant was born in 1878 and claims her Indian descent mainly through her father, her mother being a Cherokee Freedwoman. Claimant is enrolled on the Cherokee Freedmen Roll #1715. She states in letter marked "A", that her grandparents were Bill and Nancy Starr, and in her application she gives Susan Starr as one of her aunts. She does not know the others. Her paternal grandparents and aunt Susan are enrolled by Drennen in 1851, Can. 69. Claimant states her father was living in Canadian District in 1851 but is is very probable that he was not born until after that date.

I am 80 years of age. I claim no Indian blood. From information my son has Indian blood. He gets his Indian blood from his father. He was born in Tennessee. ~~My husband was born in Tennessee. He got his Indian blood from his mother and she was born in Alabama. My son has never gotten any Indian money from the government and my husband never got any. My husband lived in Bedford County, Tenn. about ten years before the war. My son has never been allotted any land and has never applied for an allotment. My son's father lived in Bedford County, Tenn. when I first knew him. He lived with white people and was a voter. I never saw my husband's mother. She died in Bedford County, Tenn. It has been taught to me ever since I was married that my husband had Indian blood.~~ My husband was born in Tennessee. He got his Indian blood from his mother and she was born in Alabama. IN RE APPLICATION # 33,633.

Dear Sir:-

I am in receipt of your letter in regard to the above claim, which was duly received July 18th, 1908, and in reply thereto I beg to state that your original notice to appear at Chattanooga on June 20th did not reach me in time to comply therewith, and the letter which you say that you wrote me before this letter has never been received by me at all. This is due to the fact of my removal of residence.

In answer to your first question in your letter of July 16th as to why my parents and grand parents were never enrolled I can only say that I have no knowledge of my own on this point, but I have been of the impression that my grand mother Copeland, through whom I claim, did receive, at some time before I was born, some money from the United States Government, through some kind of an Indian claim, that was due her on account of her Indian blood. All of this happened before I was born and as I have understood it was some time in the year 1851 or 1852 or thereabout. If any enrollment was ^{made} necessary of my grand parents or parents I never heard any of them speak of it. *I cannot say why they were not*

In answer to question 2 as to whether any of my ancestors were slaves, I reply that they were not.

In answer to question 3 as to whether any of my ancestors were party to the treaties of 1835-6 and 1846 I do not know as this was long before my birth and if any of them were parties thereto I do not know any more particulars ~~any~~ than is answered in No. 1 above. In this connection

I beg to call attention to the affidavit of L. K. Maxwell, which you will find filed in the case of the Application of Chas. G. Jones, No. 30,403, as this affidavit covers my case, as Orlena Copeland and Jane Copeland, mentioned therein, were sisters and ~~Jane~~ Copeland was my great grand-mother on my father's side. I ask that the above referred to affidavit be taken and considered in connection with my application, but if you think a separate affidavit is required in my case I will try and procure it. The party making this affidavit is quite old and lives a long way in the mountains in northern Alabama.

In answer to question No. 4 I do not know of anything further than as stated above, only that it has always talked and recognized in our family that we were entitled to share in this Cherokee fund. I will be glad to furnish any other proof you may require if in my power.

Yours very truly,

I know the applicant. She is about 38 years of age. She is enrolled by the Dawes Commission, No. 4175 (Freedman). She also got the strip payment. Her mother was Nancy Morgan and her father was James Hailstalk. Her parents at one time lived together but they separated. Her father was a native of the Chickasaw Nation. I suppose he was a slave. Her mother was a slave and was owned by Jane Morgan. She gets her Indian blood from her mother. Applicant has a child named Landrum and he is about 19 years old. She got land and her son did too. Her mother's mother was owned by John Downing - her grandfather, through whom she claims her Indian blood.

My grandfather Williams resided in Fannin County, Ga in 1834-35. My grandafther James lived in Cumberland County, Tenn at said date.

My father and mother were raised in North Crolina.

Mary J. Clark being first duly sworn, deposes and says:

That I am 36 years of age and live in Meigs Co., Tenn. I claim my Indian descent through both parents. My father was 1/4 Cherokee Indian and my mother was 1/4 Cherokee. My father was born and raised in Haywood Co., N. C. My mother was born in Fannin Co., Ga. My parents were married in Fannin Co., Ga. They were married the year of the surrender, I believe. My father's father was Indian and his mother was white. My mother's father and mother were both part Indian. Her mother was 1/2 and her father 1/4. Don't remember where my grandparents were born and raised. My father was 18 when he was married. My father is dead but my mother is living in Roane Co., Tenn. She has made application. My father has been dead about 3 years. My mother nor father nor grandparents were never enrolled that I know of. I am recognized as white, some Indian blood. I think my grandmother's name on my mother's side was Mary Bryan. My grandparents died since the war. My grandparents and my father lived among the Indians in Haywood Co., N. C. and my mother lived among them in Ga. Don't know whether they were considered members of the tribe or not. Neither of my parents or grandparents ever received any thing from the government by reason of their Indian blood. My husband is a white man. When he first moved away from Haywood Co. N. C. it was about 30 years ago. He then went to Fannin Co., Ga. Then he went back to N. C. and stayed a year or so and then came to Harriman, Ten. where he died. ~~Specck Clark~~ I don't know why my people were never enrolled. Because they didn't try, I reckon. This is the only application any of us ever made for Indian benefits.

That I am 47 years of age. I claim my Indian descent through my mother; my father was a colored man. Think my mother was 1/2 Cherokee and the rest of her blood was colored. My mother was born in Tenn. near Nashville. Jack Hammond owned my mother, and he lived in there by Nashville. Rannels owned my grandmother. She is the one through whom I claim Indian. My grandfather, Jack Hamlett, was not owned by anybody; he was a full Cherokee. My wife is a colored woman. I have a half brother on my mother's side by the name of Jeff Leftrick. His father was a colored man. He lives at Ladonia, Tex. Think he has filed application.

I have heard her say several times that she was a "Cherokee", as to her children I know that they Lucy & John Wolff had about 4- children. 3. Boys, and one girl named Annie I do not remember the names of the Boys. for it has been a long time ago, this Annie Wolff that married John Robinson. (the father of John T. Robinson) was always just called "Annie" But her full name was "Low Ann", she was the only daughter of Lucy Wolff. I know positively that this claimant here before me, John T. Robinson, is a grand-son of that heretofore named Lucy Parrott-Wolff; I also know this John T. Robinson's brother James W. Robinson, and ^{sister} Eliza Robinson. (nee Robinson) the period of time that I lived close to the aforesaid Lucy & John Wolff on the Missouri River. was about in 1845-1846- or 1847. and later.

I further declare that I am totally disinterested in the claim of John T. Robinson, and this statement is true (Thos. M. Skaggs. attest.) *Thos. M. Skaggs*

Sworn to and subscribed before me, this day July 29th 1907. and I further certify, that I really believe the above named affiant to be at least 70. years old although she thought she was only 65-^{and} in signing her name, in spelling "Judith" she made two (2) e's and we erased one "e", the affiant and claimant, are both well known to me, and are respectable people. Witness my hand and Official Seal, this 29th day of July 1907.

also knew his father, John Robinson, who married
Annie Wolff, the said Annie Wolff, was the daughter
of John Wolff and Lucy Wolff, and I further declare,
and affirm that I knew the said John Wolff, and
Lucy Wolff, his wife well and the said Lucy, has told
me many times that her maiden name was Lucy
Parrott, and that she was born and lived a good while
in the state of Alabama, and that she was a
Cherokee Indian, and she was a straight slender build
medium sized woman, of reddish sallow complexion
with small black piercing eyes, and long Raven black
coarse hair, and she was considered by the neighbors to
be at least a half blood Cherokee, or $\frac{3}{4}$ blood;
I knew them when they lived on an island about six
miles below Rockport, Boone Co. Mo. an island in the
Missouri River, I also know that the said Lucy
Parrott—Wolff died about the year 1856, or 1857.
I lived within $\frac{1}{4}$ mile of the said Lucy Wolff

her, and I am positive that she was a Cherokee,
or at least an Indian woman.
